## EXPERIENCE

### ASSOCIATE DESIGNER - INTERIORS

Universal Creative | Jan 2019 - Present

- Assure design integrity and keep the process on course, by reviewing the consultants and vendors drawings and reviewing specifications for materials and furnishings
- Support all phases of design by participating as a member of the internal creative team to develop the design direction for each individual interior project facility type
- Communicate effectively with team to overcome difficulties associated with working remotely to maximize efficiency
- Provide documentation support through presentation materials with sketches and visual aids to communicate the intent, which will address spatial adjacencies, operational requirements, construction, and FFE budgets.

### SHOW PRODUCTION INTERN

Universal Creative | Jan 2018 - Aug 2018

- Imported, exported, and combined 3D assets between Maya, Revit, 3Ds Max and AutoCAD to produce main model
- Constructed a 4' x 5' detailed, scaled model of an attraction scene to resolve outstanding conflicts such as determining the proper angles for projection screens and conducting sight line tests
- Used AutoCAD and Maya to complete scale studies that vendors utilized to build assets in the appropriate size
- Developed character and story concepts that enhance the physical environment surrounding the attraction
- Created process improvement systems for project management documentation

### LEADERSHIP FLOOR RESIDENT ASSISTANT

University of Tampa | Fall 2015 - Spring 2018

- Created and implemented programs for 60 residents that raised awareness and minimized risky behavior
- Mediated and resolved conflict between residents and managed crisis situations to maintain a positive environment
- Managed programs to a budget, used "Symplcity" software to maintain resident records, and enforced policies

### ASSISTANT DESIGNER
