

Welcome to the Military Entrance Processing Center (MEPS)

Suit up and see what life is really! about!

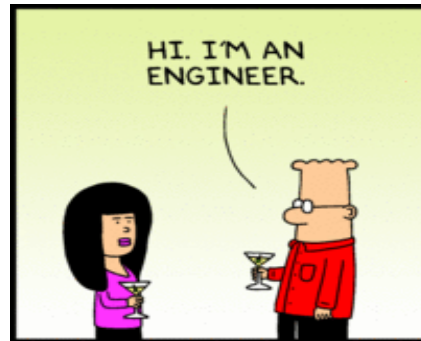

Knowing your importance as a service member is pivotal. Make sure you're committed.

Pick a job specialty... Better yet, take charge as a(n) officer for the United States Military.

So, captain explain the sacrifices and core values to your peers, colleagues, and friends.

Re-Enlist or get out and become a contractor!
Either continue to be GREAT!!
